1. Comment. Another report indicates that the KVP train on 29 July 1955 carried elements of the Motorized Rifle Regiment Prora and Artillery Regiment Prora to Pritzier. This is a railroad station serving the Huebtheen (S - Hagenow) troop training grounds which is used by Division Schwerin. The train on 3 August 1955 probably went to the same railroad station. 25X1 25X1
